

INSTRUCTIONS FOR AUTHORS

The materials sent for publication must comply with the following instructions:

Editing instructions

In the text editor, the font Times New Roman size 12 will be used at 1.5 line spacing. The text will be edited on a single column.

Please use as few format commands as possible:

Only "ENTER" command to indicate the end of paragraphs, titles, lists etc. (please avoid using the Spacebar repeatedly to separate the words);

Only „Tab" command to indicate the paragraphs;

Highlight only with Bold or Italic, with no other types of characters;

Bullets and numbering lists are accepted.

The tables will be drawn with the command "Insert table" and will have a reasonable number of rows and columns. The graphics will be drawn in Word or Excel. The scanned images will be saved in *.jpg format. Schemes or other drawings will be selected and grouped as objects using the command "Group".

The pages will be numbered with the command "Insert page numbers".

Abbreviations: except for the generally accepted ones (ex. PANSS), eventual abbreviations may be inserted only after the first use of the abbreviated word. At the end of the paper, a list of abbreviations will be inserted.

Trade names: the use of trade names anywhere in the paper is not accepted.

Bibliography will be grouped in alphabetical order.

Example of cited article

Dubovsky, S.L., Christiano, J., Daniell, L.C. et al, 1989 – Increased platelet intracellular calcium concentration in patients with bipolar affective disorder. Arch. Gen. Psychiat., 46, 632-638.

Example of cited book

Torrey, E.F., 1995 – Surviving schizophrenia: a manual for families, consumers and providers. New York, Harper Collins, 409.

Example of cited chapter

File, S.E., Baldwin, H.A., 1989 – Changes in anxiety in rats tolerant to and withdrawn from benzodiazepines: behavioural and biochemical studies. In: Tyrer P, eds. The psychopharmacology of anxiety. Oxford University Press, 28-51.

Original articles will have between 2500 and 3500 words, with a reasonable number of figures.

Case reports will have a maximum of 2000 words.

After editing, please save the text file with the name of the author and a suggestive element from the title (ex. Smith_schizophrenia.doc).

Copy the file onto portable electronic media (CD-R). Diskettes are NOT accepted.

Print the paper in two copies based on the model below:

Page 1 - Title: all caps, 90 characters maximum including spaces.

Page 2 - Name, surname and affiliation of the authors.

Name of principal author will be underlined. Full contact details (postal address, phone, fax, e-mail) must be stated.

Page 3 - Title, abstract (maximum 300 words) and keywords (maximum 3) in English

Following Pages - Text of the paper structured as below:

Introduction, Material and Method, Results, Discussion and Conclusions.

Submitting instructions

To the email address of the publisher send the file as attachment ("Attach File" command).
